

THE INSTITUTE OF MINISTRY

Transformational Biblical Worldview & Exchanged Life Development

Dear IOM Reader,

We truly hope that you are doing well! We have some very exciting news we want to share with you.

You're probably thinking, why are John & Rachel writing me a letter instead of emailing, texting or calling me? Well, we wanted to take the time to tell you that we are currently making a transition into full-time ministry. We've been preparing for this for quite some time now, and we believe that this is the right time for us to fully embrace this next season of our life.

For the greater part of a year, John has been in the process of staff-application with The Institute of Ministry (IOM America). They have invited John to apply for the Director position for the *Phoenix Identity Matters Worldview Center*. IOM is a nonprofit dedicated to helping members of the body of Christ experience, mature in, and communicate the message of identification with Christ in His death, burial, resurrection, and ascension in their various spheres of influence. Their ministry comes by way of a 3-Fold Vision: (Please review the enclosed brochure for details.)

- 1. Biblical Worldview**
- 2. Discipleship & Training**
- 3. Exchanged Life Global Initiative**

Here's why we are writing to you. Because IOM America is a missionary-type non-profit, employees are required to raise their own personal support. John's salary will come by way of missionary support. This means our "salary" is dependent on monthly donors. Your monthly support, or one-time gifts, will not only support us personally, but your support will assist in local, national and international ministry activities. Our request is that you consider becoming a part of our support team. You can use the enclosed envelope for your tax-deductible gift.

We are beyond grateful for the role you've played in our lives. Thank you for taking the time to review what we believe God is calling us to do.

If you have any questions regarding this appeal, or about the ministry, please feel free to contact John (please see below).
